‘Let Your Light Shine’ Matthew 5.16

Young Voices....

The largest Children's choir in the world, Young Voices celebrated their 20th anniversary in style with a marathon of 20 arena dates up and down the country with over 120,000 excited singing school children aged from 6-13.

St Peter's were part of the party last week!

Young Voices is designed to unify children from across the region, boost their confidence and provide lifelong memories for them and their families. We have practiced the dance routines and learned the songs in our music lessons for many months before Thursday the 25th January! The St Peter's Choir joined up with schools from across the region in Birmingham for an amazing experience.

Urban Strides, MC Grammer and an amazing 13 year old drummer who was incredible!

We performed in the evening to a huge audience. It was an amazing experience, we hope next year will be even better for the children who will be lucky enough to go!"

Written by Charlie Parkin, Cara Jansen, Poppy Cox and Darcey Letang, year 6.

Visit youngvoices.co.uk for more info.

Young Voices provides an unrivalled musical opportunity for primary school children to perform all styles of music including folk, pop, rock and classical.

The choirs range from 4,500 to 8,500 children, all performing at the same time to capacity audiences of friends and family. Nothing can prepare you for the sound of thousands of children singing in harmony. Young Voices combines the power of singing together as one, with accompaniment from a wide range of musicians and artists, to create an amazing performance.

We asked some of our year 6 singers to report back about their experience and here is their account of the day....

"Young Voices was a fun filled experience and had a fabulous atmosphere. The St Peter's Choir along with six teachers left school at 11am on Thursday and set off for Resorts World Arena, Birmingham- where the concert was being held. When we arrived, we got signed in and it was already lunch time-time to eat!

The rehearsals were all afternoon. We took our seats in the huge arena. There were over 3,000 children taking part! We met the conductor Mr David Lawrence and we warmed up our voices. We sung with

Thank a Teacher website....!

Did you know that there is a website where you can send a thank you card to one of our team? **It could be a teacher, TA, Principal, Vice Principal, Whole School, Team, Support Staff or anyone that you feel deserves recognition.**

It's really simple - and could make someone's week! It may be easier to use our postcode when selecting the school's name as it is a nationwide initiative and there may be other schools with the same name.

Just follow this link and in a few clicks, you can register your appreciation for their efforts.

[Thank a Teacher Form - Thank a Teacher](#)

Reminder-Park Tooth Fairy....!

Community Dental Services have been contracted by North Northamptonshire County Council to carry out the National 5-year-old dental survey this year and next year. We have to carry out this survey on behalf of Public Health England every 2 years.

This year it is more important than ever that schools and children selected to participate in the survey do so to help us start to understand the impact of the COVID-19 pandemic on children's dental health.

Community Dental Services will carry out the dental examinations in Raunds Park Infant School following government advice that aligns with national guidance for schools and infection prevention and control measures.

The dental practitioners use a plastic mirror to check the teeth and record what they see. They will only see those children with consent from their parents/guardians. Everything that will be reordered is confidential and will not identify any children that have taken part in the survey.

Once we have checked the children's teeth the team will hand out letters to the school team to hand out to the parents informing them of how their child's teeth check went and whether they need take further action. The children will also get a sticker at the end of their examination.

Our date is the 13th February for anyone who is five or over in the school. Permission letters will be sent to you- watch out for more information coming soon!

Next week's dates...
