

Raunds Park Infant School – Home Learning for Robin and Kingfisher Classes

Week Beginning 8th March 2021

Maths Activities

Number

This term we are working with the numbers 16 -20. The children will need to recognise the numbers 0 – 20, count a pile of 16 - 20 objects, and also from a larger quantity. Say the number that is 1 more / 1 less. Recognise and order the numbers to 20. Finally, to make 16 - 20 with their Numicon. Please refer to information sheet in your child's Home Learning Pack 16 -20.

This week we are introducing the numbers **17 & 18**.

Please refer to the number sheet in your blue maths folder and carry out the activities for number 17 & 18.

Numbers within 20 (daily lesson 5-9)

Please watch the Oak Academy lesson videos and carry out the activities within the videos.

Literacy Activities

Handwriting Activities

Correct pencil grip. Sing the pencil pick up song:

You get your holding fingers ready, and pick your pencil up.

You tip it back to lay across your hand.

You put your pillow finger under, to keep poor Curly safe.

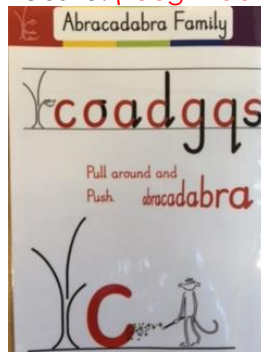

That's your three friends hold!

Get your child to practise writing their name every day.

This week we are learning how to write the Abracadabra Family letters. The phrases for each of the letter formations can be found in your child's green Speed Sound book. Lined

paper has been included in your child's home learning pack. A teaching video for the letters c, o, a, d, g, q and a teaching video for the letter s have been uploaded onto the home learning page of our school website. *(taught daily)*

Wider Curriculum Learning Ideas

Our topic this term is 'Are we there yet?'

In our topic work this week, we will be reading information books and looking at video's to learn more about different vehicles.

Expressive Arts and Design

This week we are making a Mother's Day card. Can you make a card for your Mummy?
Here are some ideas:

What will you write inside?

To Mummy, Happy Mother's Day, Love xx

People and Communities

In R.E. we are learning about Easter. Explain that Easter is a Christian celebration. Ask, 'What do you know about Easter?' What makes Easter special? Who is Easter special for? Talk about how you celebrate Easter – go on an Easter egg hunt, go to a Easter service at church. Explain that this is a special time for Christians. Find out what happened to Jesus at Easter. Watch these three video clips to find out more

<https://www.bbc.co.uk/cbeebies/watch/lets-celebrate-easter>

Physical Development

Can you complete an Active 8 Minute Workout with Joe Wicks?

Train Adventure

This week we are continuing our train journey. Get on the train. Blow your whistle. Time to stop and pick up passengers from the station. What different ways can you carry the passengers? Can you travel through a tunnel? Try the new challenge of keeping on the tracks whilst moving forward and backwards.

Try the following, maintaining balance on a line:

Personal, Social and Emotional Development

Try some yoga with the Cosmic Kids Zen Den's 'Movies in my mind'.

Please take photos of your child's completed activities and post them on ILD. We will respond and provide you with feedback.

Many Thanks

The Reception Team
